

We are excited to welcome you back to CHARLESTON RACE WEEK!

Registration Procedures / Thurs. Schedule

Due to safety protocols, things will look a little different this year. For one, the registration procedure will be drive-thru. The map below will show you the route and where you will be able to access your registration packets. The registration desks will be located close to the road so we can service both walk-up and drive-thru registrants at the same location. After hours registration pick-up will be at the Volunteer Desk (#5 on map) outside of the Reel Bar.

Please don't hesitate to reach out to us with any questions -
